

## **Yorkie Specialty Yummies**

**1/2 cup of corn oil margarine (Fleischman's)**

**1/2 cup of organic unsweetened applesauce**

**2 tsp vanilla**

**2 tsp cinnamon**

**1/3 cup honey**

**2 eggs slightly beaten**

**2 1/2 cups organic whole wheat flour**

**3/4 cup organic unbleached all purpose flour**

**Mix wet ingredients together & then add dry ingredients. Dough will be sticky. You will need to knead more unbleached flour into the dough before rolling it out; also you will need to flour the surface & flip the dough & re-flour surface before rolling out the dough. Use cookie cutter to cut into shapes. (I roll out sort of thin to medium thickness. My dogs do not like thick biscuits.)**

**Preheat oven to 350 degrees & bake for 12 minutes. Turn off oven & let cookies dry in oven for at least 2 hours. Remove from oven & freeze what you are not going to use within a week since they do not have any type of preservatives in them.**

**\*Bake on an ungreased baking sheet that is light in color. DO NOT bake on a dark sheet as the bottoms will get dark or burn.**
